Notice of Acquisition of Creative Industria e Comercio Ltda.
located in Federative Republic of Brazil

SAKATA INX CORP. announced today that it acquired “Creative Industria e Comercio Ltda. (hereinafter referred to as Creative Ltda.)” located in Federative Republic of Brazil through its subsidiary in the United States.

Creative Ltda. manufactures and sells printing ink with the head office and plant located approx. 30km southeast from Sao Paulo, Federative Republic of Brazil. Creative Ltda. has a strong position in selling solvent-based ink for packaging mainly to the Brazilian market.

SAKATA INX CORP. already has manufacturing and sales bases for printing ink in 21 overseas companies (16 countries and regions) located in Asia, North America and Europe. However, by entering South America that is anticipated to grow even further, we aim for further enhancement of SAKATA INX brand and global expansion of ink sales business.
