About Shared Research

Shared Research Inc. is a research firm dedicated to communicating the true value of companies to investors around the world. It prepares reports from the perspective of investors, rather than that of the companies themselves, and provides the information necessary for investment decision-making. These reports are typically updated more than eight times per year and are utilized both by institutional investors and individual investors.

About SAKATA INX CORPORATION

Founded in 1896, SAKATA INX is the world's second largest chemical manufacturer in sales of printing inks, with operations in more than 20 countries and regions worldwide, including Asia, the Americas, and Europe. The company manufactures and sells printing inks used for various packages, beverage cans, and information media, industrial inkjet inks for digital printing, and pigment dispersions for image display materials. Under the business theme of "Creation of Visual Communication Technology," the company aims to "create an information culture that makes people's lives more comfortable" through environmentally-friendly and sustainable products and continues to take on the challenge of entering new fields.
